Dear Parents and Carers

As the academic year comes to an end I would like to thank you for your support over the course of the last twelve months. I am sure you can appreciate all the work that has been done in your child's school to provide for them the very best learning opportunities and experiences. It has been a real joy to be able to visit each of our schools and see the work that is being done. I hope that like me, you can see the difference our staff make each and every day as they strive to make lives better. Please do follow our Trust Twitter account @STOC_CAT as you will be able to see all the wonderful opportunities we look to provide.

It is an exciting time for our Trust. From September we will be joined by a number of new members of staff within our central team. We will have both a Primary and Secondary Director of Education, whose role is to both support and challenge our school leaders to provide the very best provision for all our children and young people. We will also be joined by a Director of Digital and IT who will be looking not only at our trust wide infrastructure, but also at how technology can enhance learning for everyone. We will also have greater capacity in terms of our financial and HR support systems.

Please enjoy a well-deserved rest over the summer break. I hope that your family enjoys some time together and always stays safe and healthy. When we return to school in September we will be refreshed to continue our mission to Make Christ Known by Making Lives Better.

Yours sincerely

Mr C Foley
