

St Gabriel's RC High School Uniform Policy 2024-2025

We take great pride in the appearance and conduct of our pupils both whilst in school and whilst representing our school in the local area. Upholding our school's strong reputation by ensuring we are all dressed smartly and appropriately is of great importance to all stakeholders, and serves to prepare young people for future education and employment.

School uniform is to be worn by all pupils, and serves to support our mission statement – **'We are an inclusive Catholic family'** – by reflecting the equality of opportunity afforded to every young person within our school community.

We are grateful to our supportive families for ensuring their children have the correct items in accordance with this policy, all of which can be purchased from our listed suppliers (please find these details at the end of this document). Suppliers often provide discounts on school uniform in the summer term of each academic year (June - July). We have noted where items are also available from other high street retailers.

Students' uniform is checked by Form Teachers each morning, with positive 'Mission Points' awarded to those dressed in accordance with our expectations. Negative points are issued to students not adhering to the uniform policy, and staff have the right to confiscate prohibited items if appropriate. In very rare cases where students repeatedly contravene our uniform standards, Form Teachers will contact parents/carers to discuss what support is required.
