

Curriculum Intent	English supports our children to communicate in school and in everyday life: we encourage pupils to value the opinions of others; have empathy and tolerance for all; and formulate independent opinions. Literature exposes pupils to different cultures and contexts - giving pupils the chance to reflect, understand the world around them, and express themselves clearly, confidently and creatively.									
KS2		7	8	9	KS3	10	11	KS4	KS5	Careers
