

Access to scripts and Reviews of Results - 2026

If you wish to have your results reviewed, this must be done through the School. There are two process you can request. Both involve a fee from the exam board, and this must be paid to the school in advance of the process.

Clerical re-check - A clerical re-check of a marked paper will make sure that all pages were marked, the marks were all counted, and that the marks on the paper match the result. For concerns about the content on a marked script or annotations, request a review of marking.

Review of marking - If you're concerned that the examiner has made a mistake marking your script, you can consider requesting a review of marking. If a review of marking leads to an overall subject grade change, the fee will be returned. Remember, there is **no grade protection for reviews of marking**. This means that learners' marks and subject grades may be **lowered**, confirmed, or raised as a result.

The student must give consent for either of these processes. You must complete **Appendix A** for clerical re-checks or Reviews of Marking. (Appendix B allows the School to access your script and use it for future teaching.)

Mr Johnston (Exams Officer) will be available in school on 20th & 21st August for you to hand in completed forms and fees. He will also accept these in school from 1st - 23rd September.

Please note – **this is not a re-mark**. The exam board review the marking to ensure the mark scheme has been applied fairly.

Deadline for requests: 24 September 2026.
